Capturing Your Corporate Style!

From expert designers and database programmers to Internet marketing specialists, Prairie Sun Creations has the team to create the highest quality web solutions that will make your online marketing goals come true.

An award-winning web Internet specialist and professional web designer, Sue has over 24 years of experience in the computer industry, including 18 years in systems development. In 1998, Sue founded Prairie Sun Creations Inc., a web design firm dedicated to helping clients succeed online.

Prairie Sun makes it easy to get the results you want. How?

- We make it our business to understand what makes companies succeed online.
- We listen to your needs and ambitions, and research how to achieve them.
- We find tangible and affordable ways to achieve your goals.
- We create custom web solutions that improve your business processes.
- We create eye-catching and unique designs personalized for your organization.
- We research to keep abreast of the latest industry trends and techniques.
- We show you how to use the Internet to your advantage, making your site more effective.

We know the pitfalls. We know the shortcuts. No matter what your goals – increased sales, increased clients, increased awareness – you can rely on the experienced and professional creative team at Prairie Sun Creations.

Let the warmth and power of Prairie Sun Creations help you grow toward your goals today.
